Mayflower Open Parking Space (open 24/7)

GOING INSIDE THE LAB

- As part of GFT's security measure, all bags should pass the x-ray baggage scanner at the main entrance.
- Proceed to the 5-19 turnstile gate for Low Zone Elevator (right most, nearest to the reception area). Each member has their own registered access card for the turnstile.

- Upon pressing the 9th floor elevator button, the screen will show the designated Elevator Letter. Only the designated cab will lead to our floor.
- You may find our lab at 9th floor, Unit 902.

THE LAB

- The lab has 2 access doors from the hallway.
- When entering the lab, always use the double door main entrance. Here's a short reminder from our friendly IT-SG about your biometrics access.
- You will find an 83-seater workspace area with:
 - Tables equipped with 2-gang floor mounted electrical outlet and a monitor per station
- The lab has 4 meeting rooms
 - 2 are convertible to a conference room)
 - 3 phone booths
 - *This is still under development (reservation link to follow)*
- In the pantry, you will find the following:
 - 37 seater room in a first-come-first-serve basis
 - Microwave
 - Coffee machine
 - Hot and cold water dispenser
 - French door fridge for food storage
 - Chiller for beverage storage
 - Sink
 - Dishwasher

Reminders:

- Meals will be served every Tuesdays, Wednesdays, and Thursdays for all shifts.
- Use of covered mugs and tumblers are highly encourage to avoid spillage in our werkstations
- Please bring jacket as the air conditioning temperature might get too cold for you, but please bring it with you when you go home.
- Comfort rooms are located in the common area outside of the lab
- Observe our Dress Code policy at all times
